Lamination is not permitted, and will disqualify the poster. Cut paper/stencils (freehand or pre-drawn stick-on stencils) are not permitted and will disqualify the poster.

There is no limitation on the use and number of colors.

There is no limitation on the type of media -- such as print, crayon, felt pen, etc. -- used on the poster design; however, wood, plastic, glass or metal should not be part of the poster. Collage materials should not be used. Glued on pieces will eliminate the poster.

## **Poster Theme:**

Every poster and slogan must harmonize with the 2012 poster contest theme:

### **Stand Back from the Yellow and Black**

*(Contestants must illustrate above theme only, and the theme must be exactly as shown above.)*

Drawings must be original, correct in safety concept and the exclusive work of the student entering the contest in idea, design and execution. All artwork should be positive in approach, demonstrating only proper school bus safety behaviors. At least a part of a yellow school bus must be present in the poster.

An art instructor or art teacher should supervise all work.

## **Lettering & Drawing:**

The poster design may incorporate freehand drawn letters only. Stenciled, pre-printed, manufactured stick-on or press-on letters or tracings may not be used and will disqualify the poster. Lettering should be clearly legible, even if used as part of the poster design.

## **Contest Infrastructure:**

The National School Bus Safety Poster Contest is sponsored each year by the National Association for Pupil Transportation, the National Association of State Directors of Pupil Transportation Services and the National School Transportation Association.

The National School Bus Safety Poster Contest is supported by a state/province level infrastructure. **The national contest is open only to winners of state/province contests or contests held by overseas US military installations. No other posters will be accepted. Contact your state director of pupil transportation or the NAPT headquarters for information about where to submit posters in your state contest.**

Each participating US state, Canadian province, or overseas US military installation may submit one (*only first-place winners*) winning poster in each of the following categories: Division #1 - Grades K-2; Division #2 - Grades 3-5; Division #3 - Grade 6-8; Division #4 - Special Education; Division #5 - CAD (Computer Aided Drawing). There is also a separate contest for International entries.

*Please Note: Divisions #5 and International entries are eligible for competition within those respective divisions but are not eligible to be the Overall Contest Winner.*

Students who live in a US state, Canadian province or overseas US military installation that does not have a contest may

submit entries directly to NAPT National School Bus Safety Poster Contest committee for evaluation and potential selection for national competition.

No more than 5 posters from each state/province may be entered in the national contest.

Posters must be received at NAPT Headquarters by **October 1, 2012**.

**When Can Posters Be Drawn?**

---

Posters can be drawn anytime between September 2011 and September 2012, up to the deadline to submit an entry. States/provinces often prefer the artwork to be created in the spring and then hold state contest in the summer to determine which poster(s) will be entered in the national contest. A state/province pupil transportation association often sponsors these contests. Please contact your state director of pupil transportation services or NAPT headquarters to obtain the name, telephone number and/or email of the person that can best explain the poster contest logistics in your state.

**Judging:**

---

Prominent individuals in the field of pupil transportation will evaluate posters during the annual NAPT Conference & Trade Show. Criteria for the selection of award-winning posters are:

- a. Relationship of the poster design to the school bus safety practices.
- b. Originality of the poster and how the idea is expressed in the poster design.
