

Day Care Survey - June 12, 2009

Conducted at the request of John Hamilton, Jackson District

We had 16 Districts reply.

District charges for day care transportation:

1 District charged for service
8 Districts Transported to day care (with 3 Districts Space available policy)
4 Districts did not transport students to day cares
3 Districts transported only ESE students to day cares

1. What rate do you charge?

One District charges \$1 per student per day

2. Do you count the student on FTE if qualified?

ALL the Districts that transported students to day cares collected FTE if the student qualified.

3. Do you collect fees up front?

NO

4. Do you collect fees from the Day Care provider or the parents?

Collect from day care annual contract with the District.

5. How do you calculate and collect the fees (by the semester, month, week)?

Monthly
